Dear Mr. Burgheim

As one of the teachers that attended your slide presentation at our school on the 02.27.06 I would like to thank you for the outstanding way in which you were able to fascinate the classes and hold the concentration of our students. Every day we look for ways to reach these children and interest them in our teachings, I speak therefore from experience and in the name of all teachers involved when I say that you have left a strong positive impression on these young minds, and I salute you for it.

To this day our students remember and will remember your visit to our school.

The students still speak of the bears and the beauty of the wilderness that shine through in your pictures, work and narration.

I can only recommend and hope that you will be able to reach as many young minds as possible with your presentations.

Any school that may have questions in regards to the quality of your work you may advise to contact us. Please stay in touch in the years to come.

Sincerely  
*Jean Mullis*
